

**“Ten voeten uit”**

**GO!**

A circular board game track with 50 numbered spaces. The track is divided into four concentric rings. The numbers are arranged as follows:

- Outer ring (clockwise from top): 26, 21, 17, 15, 12, 8
- Second ring (clockwise from top): 57, 55, 51, 49, 46, 44
- Third ring (clockwise from top): 30, 33, 36, 38, 41, 44
- Inner ring (clockwise from top): 30, 33, 36, 38, 41, 44

Each space contains an icon: a blue arrow pointing right, a hand holding a green plant, a thinking emoji (yellow face with question marks), a book with a red ribbon, a person at a piano, or dice. The board is shaped like a footprint, with the tail of the footprint at the bottom left containing the 'GO!' text.
