If There Is a God - Smashing Pumpkins

And if there is a God
I know he likes to rock
He likes his loud guitars
And he is spiders from Mars
And if there is a God
I know she's watching me
She likes what she sees
But there's trouble on the breeze
Who are you this time?
Are you one of us flying blind?
Because I'm down here throwing stones
While you're so far from home
And if there is a God
I know they're on TV
The spies with bedroom eyes
Who cowers in our sky
Who are you this time?
Are you one of us flying blind?
Because I'm down here throwing stones
While you're so far from home

Van Morrison - Whenever God

Whenever God shines His light on me
Opens up my eyes so I can see
When I look up in the darkest night
I know everything's going to be alright
In deep confusion, in great despair
When I reach out for Him He is there
When I am lonely as I can be
I know that God shines His light on me

Reach out for Him, He'll be there
With Him your troubles you can share
If you live the life you love
You get the blessing from above
He heals the sick and heals the lame
Says you can do it too in Jesus name

He'll lift you up and turn you around
and put your feet back on higher ground

Reach out for Him, He'll be there
With Him your troubles you can share
You can use his higher power
in every day and any hour
He heals the sick and heals the lame
Says you can do it too in Jesus name

He'll lift you up and turn you around
and put your feet back on higher ground.

Where is the love – Black eyed peas

What's wrong with the world, mama
People livin' like they ain't got no mamas
I think the whole world addicted to the drama
Only attracted to things that'll bring you trauma
Overseas, yeah, we try to stop terrorism
But we still got terrorists here livin'
In the USA, the big CIA
The Bloods and The Crips and the KKK
But if you only have love for your own race
Then you only leave space to discriminate
And to discriminate only generates hate
And when you hate then you're bound to get irate, yeah
Badness is what you demonstrate
And that's exactly how a n**** works and operates
N**, you gotta have love just to set it straight
Take control of your mind and meditate
Let your soul gravitate to the love, y'all, y'all

People killin', people dyin'
Children hurt and you hear them cryin'
Can you practice what you preach
And would you turn the other cheek

Father, Father, Father help us
Send us some guidance from above
'Cause people got me, got me questionin'
Where is the love (Love)

Where is the love (The love)
Where is the love (The love)
Where is the love
The love, the love

It just ain't the same, always unchanged
New days are strange, is the world insane
If love and peace is so strong
Why are there pieces of love that don't belong
Nations droppin' bombs
Chemical gasses fillin' lungs of little ones
With the ongoin' sufferin' as the youth die young
So ask yourself is the lovin' really gone
So I could ask myself really what is goin' wrong
In this world that we livin' in people keep on givin' in
Makin' wrong decisions, only visions of them dividends
Not respectin' each other, deny thy brother
A war is goin' on but the reason's undercover
The truth is kept secret, it's swept under the rug
If you never know truth then you never know love
Where's the love, y'all, come on (I don't know)
Where's the truth, y'all, come on (I don't know)
Where's the love, y'all

People killin', people dyin'
Children hurt and you hear them cryin'
Can you practice what you preach
And would you turn the other cheek

Father, Father, Father help us
Send us some guidance from above
'Cause people got me, got me questionin'
Where is the love (Love)

Where is the love (The love)
Where is the love (The love)
Where is the love
The love, the love

I feel the weight of the world on my shoulder
As I'm gettin' older, y'all, people gets colder
Most of us only care about money makin'
Selfishness got us followin' our own direction
Wrong information always shown by the media
Negative images is the main criteria
Infecting the young minds faster than bacteria
Kids act like what they see in the cinema
Yo', whatever happened to the values of humanity
Whatever happened to the fairness in equality
Instead in spreading love we spreading animosity
Lack of understanding, leading lives away from unity
That's the reason why sometimes I'm feelin' under
That's the reason why sometimes I'm feelin' down
There's no wonder why sometimes I'm feelin' under
Gotta keep my faith alive to lovers bound

People killin', people dyin'
Children hurt and you hear them cryin'
Can you practice what you preach
And would you turn the other cheek

Father, Father, Father help us
Send us some guidance from above
'Cause people got me, got me questionin'
Where is the love (Love)

Where is the love (The love)
Where is the love (The love)
Where is the love (The love)

Where is the love (The love)
Where is the love (The love)
Where is the love (The love)

Nelly Furtado – in Gods hands

I looked at your face I saw that all the love had died
I saw that we had forgotten to take the time
I, I saw that you couldn't care less about what you do
Couldn't care less about the lies
You couldn't find the time to cry

We forgot about love
We forgot about faith
We forgot about trust
We forgot about us

Now our love's floating out the window
Our love's floating out the back door
Our love's floating up in the sky in heaven
Where it began back in God's hands

You said that you had said all that you had to say
You said baby, it's the end of the day
And we gave a lot, but it wasn't enough
We got so tired that we just gave up

Now our love's floating out the window
Our love's floating out the back door
Our love's floating up in the sky in heaven
Where it began back in God's hands

We didn't respect it
We went and neglected it
We didn't deserve it
But I never expected this

Our love floated out the window
Our love floated out the back door
Our love floated up in the sky to heaven
It's part of a plan
It's back in God's hands
Back in God's hands

Oh it didn't last
It's a thing of the past
No we didn't understand
Oh just what we had
Oh I want it back
Just what we had
I want it back
Oh just what we had

Bob Sinclair – Love generation

From jamaica to the world
It's just love, It's just love,

why most the children play in the street?
broken arms can fade the dreams
peace on earth to everyone that you meet
don't you worry? it could be so sweet
just after a rainbow you will see,
the summer shine till the eternity
I've got so much love in my heart
no one can tear the bond

feel the love generation X2
come on come on come on
feel the love generation X2
don't worry about a thing, gonna be all right

why most the children play in the street?
broken arms can fade the dreams
peace on earth to everyone that you meet
don't you worry? it could be so sweet
just look to the rainbow, you will see,
the summer shine till the eternity
I've got so much love in my heart
no one can tear the bond

POD – Alive

Everyday is a new day
I'm thankful for every breath I take
I won't take it for granted
So I learn from my mistakes
It's beyond my control,
sometimes it's best to let go
Whatever happens in this lifetime
So I trust in love
You have given me peace of mind

I feel so alive for the very first time
I can't deny you
I feel so alive
I feel so alive for the very first time
And I think I can fly

Sunshine upon my face
A new song for me to sing
Tell the world how I feel inside
Even though it might cost me everything
Now that I know this, so beyond,
I can't hold this
I can never turn my back away
Now that I've seen you
I can never look away

Now that I know you
(I could never turn my back away)
Now that I see you
(I could never look away)
Now that I know you
(I could never turn my back away)
Now that I see you
(I believe no matter what they say)

Tina Cousins – Pray

What a miracle is life
the fields are high and the fruit is ripe
so hold out your hands
yeah, hold out your hands
and you're the same as me
you breathe the air I breathe
and we don't understand

yeah, we don't understand

And if you don't ask questions you won't know why
so say a prayer for the time while there's still time
So pray for good and pray for love
pray for peace and pray it's enough
pray for salvation
pray that we're right
pray one day we'll open our eyes, and
pray for them and pray for us
pray one day we can live as one
pray for the children whose time is to come
just pray they forgive us for the stupid things we've done

We all see the same sun
each day a golden praise is sung
to the wonder of man
yeah, to the wonder of man
and when we look why can't we see
all the riches that are free
oh we don't understand
yeah, we don't understand

pray for good and pray for love
pray for peace and pray it's enough
pray for salvation
pray that we're right
pray one day we'll open our eyes, and
pray for them and pray for us
pray one day we can live as one
pray for the children whose time is to come
just pray they forgive us for the stupid things we've done

Monza – Van God los

keer na keer werd mij dan weer gezegd
de rest is goed en jij bent slecht
je bent de slechtste van de klas
vaak genoeg werd mij dan weer beloofd
de heer geprezen, zij geloofd
je bent de traagste van de klas

van god los
laat nu toch die god los
er is niemand in de kosmos
het is zonde van de tijd
van god los
laat nu toch die god los
er is niemand in de kosmos
het is zonde van de tijd

duizend maal werd mij dan weer verteld
jij gaat alleen maar voor het geld
je bent de duurste van de klas
terwijl dat zeker niet zo was
keer op keer werd mij dan weer gevraagd
of ik geloof in na vandaag
waarop ik zei dat er niets was

van god los
laat nu toch die god los
er is niemand in de kosmos
het is zonde van de tijd
van god los
laat die god los
er is niets of niemand in de kosmos
het is zonde van de tijd...

Coldplay – God put a smile upon your face

Where do we go, nobody knows
I've got to say I'm on my way down
God gave me style and gave me grace
God put a smile upon my face

Where do we go to draw the line
I've got to say I wasted all your time
Oh honey honey
Where do I go to fall from grace
God put a smile upon your face yeah

Love, when you work it out I'm worse than you
Yeah, when you work it out I want it to
Now, when you work out where to draw the line
Your guess is as good as mine

Where do we go, nobody knows
Don't ever say you're on your way down when
God gave you style and gave you grace,
And put a smile upon your face oh yeah

Love, when you work it out I'm worse than you
Yeah, when you work it out I want it to
Now, when you work out where to draw the line
Your guess is as good as mine.

It's as good as mine, It's as good as mine
It's as good as mine, It's as good as mine

It's as good as mine, It's as good as mine
It's as good as mine

Where do we go, nobody knows
Don't ever say you're on your way down when
God gave you style and gave you grace
And put a smile upon your face

God is a DJ - Faithless

This is my church
This is where I heal my hurts
This is my church
This is where I heal my hurts
This is my church
This is where I heal my hurts

It's a natural grace
Of watching young life shape
It's in minor keys
Solutions and remedies
Enemies becoming friends
When bitterness ends

This is my church (2x)
This is where I heal my hurts
For tonight
God is a dj

This is my church
This is where I heal my hurts

God is a girl – Groove Coverage

Remembering me, discover and see,
All over the world, she's known as a girl,
To those who are free, their minds shall be keep,
Forgotten as the past, 'cause history will last.

God is a girl, wherever you are,
Do you believe it, can you receive it,
God is a girl, whatever you say,
Do you believe it, can you receive it,
God is a girl, however you live,
Do you believe it, can you receive it,
God is a girl, she's only a girl,
Do you believe it, can you receive it?

She wants to shine, forever in time,
She is so driven, she's always mine,
Clearly and free, she wants you to be,
A part of the future, a girl like me,
There is a sky, eluminating us,
Someone is out there, that we truly trust,
There is a rainbow, for you and me,
A beautiful sunrise, eternally.

God is a girl, wherever you are,
Do you believe it, can you receive it,
God is a girl, whatever you say,
Do you believe it, can you receive it,
God is a girl, however you live,
Do you believe it, can you receive it,
God is a girl, she's only a girl,
Do you believe it, can you receive it?

God (part II) – U2

Don't believe the devil
I don't believe his book
But the truth is not the same
Without the lies he made up

Don't believe in excess
Success is to give
Don't believe in riches
But you should see where I live
I...I believe in love

Don't believe in forced entry
Don't believe in rape
But every time she passes by
Wild thoughts escape
I don't believe in death row
Skid row or the gangs
Don't believe in the Uzi
It just went off in my hand
I...I believe in love

Don't believe in cocaine
Got a speed-ball in my head
I could cut and crack you open
Do you hear what I said
Don't believe them when they tell me
There ain't no cure
The rich stay healthy
The sick stay poor
I...I believe in love

Don't believe in Goldman
His type like a curse
Instant karma's going to get him
If I don't get him first
Don't believe in rock 'n' roll
Can really change the world
As it spins in revolution
It spirals and turns
I...I believe in love

Don't believe in the 60's
The golden age of pop
You glorify the past
When the future dries up
Heard a singer on the radio late last night
He says he's gonna kick the darkness
'til it bleeds daylight
I...I believe in love

I feel like I'm falling
Like I'm spinning on a wheel
It always stops beside a name
A presence I can feel
I...I believe in love

Dear God – XTC

Dear God,
Hope you got the letter,
And I pray you can make it better down here.
I don't mean a big reduction in the price of beer,
But all the people that you made in your image,
See them starving on their feet,
'Cause they don't get enough to eat

From God,
I can't believe in you.

Dear God,
sorry to disturb you,
but I feel that I should be heard loud and clear.
We all need a big reduction in amount of tears,
And all the people that you made in your image,
See them fighting in the street,
'Cause they can't make opinions meet,
About God,
I can't believe in you.

Did you make disease, and the diamond blue?
Did you make mankind after we made you?
And the devil too!

Dear God,
Don't know if you noticed,
But your name is on a lot of quotes in this book.
Us crazy humans wrote it, you should take a look,
And all the people that you made in your image,
Still believing that junk is true.
Well I know it ain't and so do you,
Dear God,
I can't believe in,
I don't believe in,

I won't believe in heaven and hell.
No saints, no sinners,
No Devil as well.
No pearly gates, no thorny crown.
You're always letting us humans down.
The wars you bring, the babes you drown.
Those lost at sea and never found,
And it's the same the whole world 'round.
The hurt I see helps to compound,
that the Father, Son and Holy Ghost,
Is just somebody's unholy hoax,
And if you're up there you'll perceive,
That my heart's here upon my sleeve.
If there's one thing I don't believe in...

It's you,
Dear God.

I still haven't found what i'm looking for – U2

I have climbed the highest mountains
I have run through the helds
Only to be with you
Only to be with you.

I have run I have crawled
I have scaled these city walls
Only to be with you
But I still haven't found
What I'm looking for
But I still haven't found
What I'm looking for.

I have kissed honey lips
Felt the healing in her fingertips
It burned like fire
This burning desire
I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone
But I still haven't found
What I'm looking for
But I still haven't found
What I'm looking for.

I believe in the Kingdom Come
Then all the colours will bleed into one
But yes I'm still running.

You broke the bonds
you loosed the chains
You carried the cross
And my shame
And my shame
You know I believe it
But I still haven't found
What I'm looking for
But I still haven't found
What I'm looking for.

Why – Tracy Chapman

Why do the babies starve
when there's enough food
to feed the world?

Why when there's so many of us
are there people still alone?

Why are the missiles
called peace keepers
when they're aimed to kill?

Why is a women still not safe
when she's in her home?

Love is hate
War is peace
No is yes
And we're all free

But somebody's gonna have to answer
The time is coming soon
Amidst all these questions
and contradictions
There are some who seek the truth

But somebody's gonna have to answer
The time is coming soon
When the blind remove their blinders
And the speechless speak the truth

God in my bed – K's Choice

Before last night my heart was grey
Like my country is today
Big kaleidoscope I see
A thousand people gaze at me
To break the ice I start to sing
About a cell called everything
A cell so big a word like small
Is suitable to say it all
Is the fighting over?
I lost track
Like a wave it all comes back
Same kaleidoscope I see
Someone standing next to me
It's hard to do, it's hard to try
Hard to stop wondering why
Do I keep filing every case
When the answer's on your face
You can't see her but you do
Music is transparent too
So join me, sing with all your might
Hallelujah, praise tonight
Far away and long ago
Wintertime meant feeling low
Now every single star looks bright
God was in my bed last night

Into my arms – Nick Cave

I don't believe in an interventionist God
But I know, darling, that you do
But if I did I would kneel down and ask Him
Not to intervene when it came to you
Not to touch a hair on your head
To leave you as you are
And if He felt He had to direct you
Then direct you into my arms

Into my arms, O Lord
Into my arms, O Lord
Into my arms, O Lord
Into my arms

And I don't believe in the existence of angels
But looking at you I wonder if that's true
But if I did I would summon them together
And ask them to watch over you
To each burn a candle for you
To make bright and clear your path
And to walk, like Christ, in grace and love
And guide you into my arms

Into my arms, O Lord
Into my arms, O Lord
Into my arms, O Lord
Into my arms

And I believe in Love
And I know that you do too
And I believe in some kind of path
That we can walk down, me and you
So keep your candlew burning
And make her journey bright and pure
That she will keep returning
Always and evermore

Into my arms, O Lord
Into my arms, O Lord
Into my arms, O Lord
Into my arms
